Your Plans

6. Do you plan on attending further education after high school/secondary school?
(For example: a 4-year college/university; a 2-year college/university, a vocational/technical school, a certificate program)

- Yes, I do plan to attend/obtain further education
- No, I don't plan to attend/obtain further education
- I don't know

7. Do you plan to have a career (job) in the health or science field? (check one)

Yes:

If yes, what type of job are you interested in?

(Describe the job)

No:

If no or unsure, what are your reasons for **not wanting to** pursue a health/science career? (check all that apply)

I want to do something else (describe)

- I don't know enough about jobs in the health/science industry
- I think higher education/training costs too much
- I think health/science career salaries are too low
- My grades are not good enough
- I do not have the skills needed
- My personality is not a good match for a health/science career
- I think training/preparation for a health/science career takes too long
- I think a health/science career is too difficult for me
- Other: (list) _____

You're Done! Thank you.
