

Brand Me

What is it?

Students have 10 minutes to present a preprepared presentation about themselves, lessons learnt so far on the programme and their future ambitions to a panel of 4/5 senior J&J Leads, Senior Teachers and Senior BTE Mentors.

They then have 5 minutes of questions to answer from the panel.

Easy to set up but need to give students plenty of notice so they can prep their slide deck

The Outcomes:

1 Build confidence in presenting on their own

2 Clear on the image they want to portray

3 Tears of joy, as you witness the fruit of your efforts with each presentation and see how much the students have grown in such a short space of time and also hear their stories from childhood and how their experiences have shaped who they are today
